## PAST EVENTS

The 60 people who attended the Folk Singer-Story Teller performance given by Jim Albertson enjoyed it tremendously. Our thanks to Glen Skar for arranging such an unusual and delightful entertainment.

The Land Events held on Sunday, July 7 was also very successful, with about 65 people in attendance. Approximately 30 children participated in the events and there were 36 egg throwers (and some catchers) in the final event, which was won by Larry Bischoff and Diane Connelly. The Athletic Committee did their usual fine job of organizing and running the events. At the same time, lemonade was served to the contestants by Henrietta Tyrrell and Midge Mutter while the Men provided delicious hamburgers and franks with soda.

Other Local News

Larry and Maggie Frost are the proud parents of a baby girl, born in November.

Vera Brower has recently been promoted to Vice President and Director of Training by the United Jersey Bank. Congratulations, Vera!

If anyone is interested in renting his (or her) camp for approximately 2 weeks during the summer or in Sept. see Alf Edwards (#50).

On the afternoon of July 4th a mystery sailboat was sighted sailing serenely in the center of the lake, heading in a northerly direction under full sail but without a skipper. With a following breeze, the boat picked up speed, changed direction slightly and sailed by dead reckoning directly into Prices' Cove. Keen eyes from shore finally picked up a head bobbing in the center of the lake and identified it as belonging to Andy Fono. It seems that he was enjoying his usual swim alongside his boat when the boat took advantage of a gust of wind and went off without him. Andy made it safely to shore and no damage was done either to the boat or Andy.
